

THE STORY OF WATER

WHO CONTROLS THE WAY WE DRINK?

Action Checklist

- Watch the animation
- Share the animation with 3 friends, family members, or co-workers
- Take action to support the WATER Act by calling or emailing your U.S. representatives
- Contact your local officials to find out how you can help ensure that your water system is publicly controlled
- Advocate for reusable bottles, public drinking fountains, safe & accountable public water management, and home & office water filtration systems
